Our partners at Save the Syrian Children get life-saving medical and other essential supplies into the heart of the conflict where they are needed most. How?
With smart shipping and the help of Israeli partners.

How to Help:

- Collect any of the supplies listed on the back of this flyer before April 1st.
- Purchase items from our registry wish list on Amazon.
- Volunteer at Temple Emanuel of Beverly Hills on April 8th. Sort supplies to ready them for shipment and learn with the founders of Save the Syrian Children.
